Truth and Lies: The Murder of Laci Peterson

Scott and Laci Peterson were college sweethearts in love. On December 24, 2002, Laci mysteriously vanished from their home in Modesto, California. Scott was arrested and sentenced to death in 2005 for the murders of his wife and unborn son. After Scott Peterson has spent 12 years on death row and as his legal team awaits answers to both an appeal and a legal petition alleging he was denied a fair trial, ABC presents a documentary on the murder of Laci Peterson featuring new reporting and interviews.
